Can " Labrador and the Rocky Mountains,
Com Select Committee on
R. Canada's fertile northland.

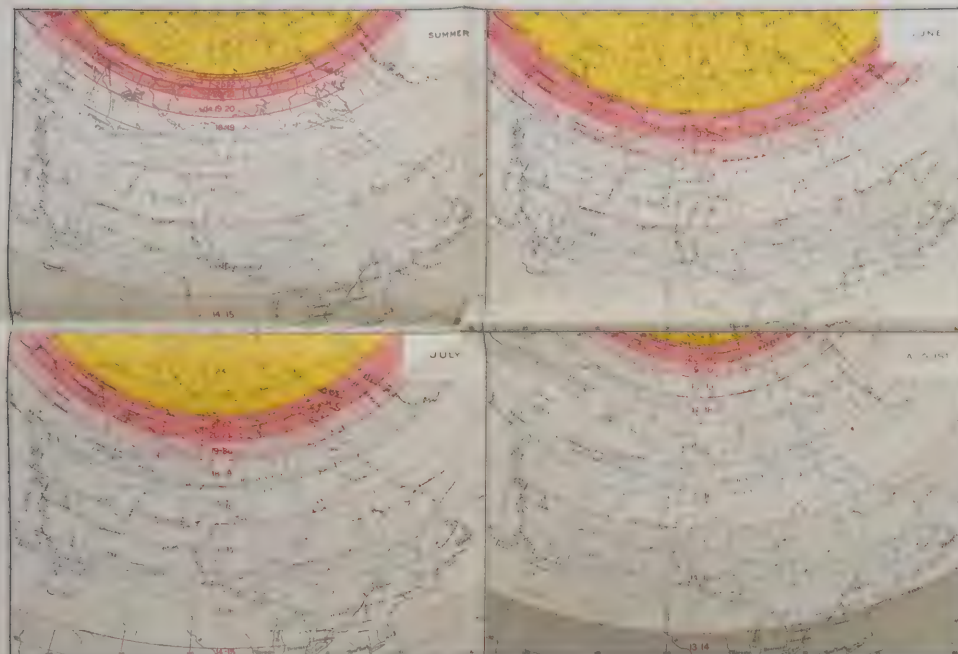

This is a detailed historical map of Western Canada, showing the provinces of Alberta, Saskatchewan, and Manitoba, along with the Northwest Territories and Hudson Bay. The map includes a grid of latitude and longitude lines, major cities like Winnipeg, Regina, and Edmonton, and various geographical features like rivers and lakes. A red line runs across the top, and a red box highlights a specific area in the northwest. The map is titled "WESTERN CANADA" at the top center.

*Accompanying the Report of the Senate Committee
appointed to inquire into the Resources of Hayden Canals.*
